OREGON GLADIOLUS

FOR PLANTING TIME 1944

READ THIS BEFORE ORDERING

We exercise the greatest care to see that only first quality stock is shipped out; but we cannot guarantee the growth or productiveness due to the varying climatic and soil conditions throughout the United States. If for any reason you are dissatisfied with the stock when received, return it and your money will be refunded.

TERMS

Net cash before shipment; 25 per cent deposit will hold orders until shipment. Orders not fully paid will be sent C. O. D. for the balance, at the time for shipment to your locality.

THRIP

The bulbs are guaranteed free from thrip, as we treat our bulbs in storage and will ship packed with naphthalene flakes if requested. We advise everyone to treat their bulbs with Lysol. Directions will be packed with your order if requested.

ORDER CHANGES

It sometimes happens that we are out of the size you order, but have other sizes in the same variety. Please state if you wish us to send another size or variety if out of what you order. You will always receive liberal value for any change.

SHIPMENT

A service charge of 35 cents will be made on orders of less than \$3.00.

Orders for \$15.00 or more can be sent at any time in the U. S. A. by express and those held for spring delivery will be shipped as weather permits. Local and Pacific Coast orders can be sent at any time.

We advise Railway Express shipment as wartime conditions cause long delays if sent via freight.

All stock offered and orders accepted F. O. B. Portland, Oregon, subject to prior sale and causes beyond our control.

WHOLESALE LOTS

Due to the extreme labor shortage in our locality, we did not grow the large quantities that we have in the past. Write in for special quotations (on lots of 10,000 or more) and we will quote promptly, providing we have the stock available. For lots up to 2000 of each size use the list attached. 10% discount is allowed on lots of 250 or more, one size, one variety.
